

Teton County/Jackson Parks and Recreation

Swim Lesson Program

Teton County/Jackson Parks and Recreation Department offers a variety of programs for persons six months of age and older. The aqua-tot and preschool programs were designed by professional staff to provide the best opportunity for individuals to reach their potential. The American Red Cross program is utilized for Level 1 thru Level 6 classes. All instructors must complete an extensive training program designed by American Red Cross professionals. Our instructors are sensitive to the apprehensions and fears of the beginner swimmer yet seek to challenge and stimulate the more advanced swimmer. There is a class designed for everyone with a desire to improve their swimming ability.

Aqua Tots and Preschool: Group Swim Lesson Progression

Aqua Tots: 6 months to 3 years old

Aqua Tots is a program providing (six months to three years old) children and their parent(s) an opportunity to learn and experience the fun of swimming together. Swim diapers are required for the Aqua Tot program. Water entry and exit, cue words, floating on front and back, arm movement.

Preschool: 3 to 5 year olds

Because this is a first-time swimming experience without parents; the student to teacher ratio is lower in the Guppies class. This class has a maximum of four children per instructor to ensure children learn to enjoy and respect the water. This class is a must for the first-time swimmer without their parent(s). Getting face wet, blowing bubbles, bobbing, assisted floating on front and back, introduce flutter kick and crawl stroke arms and safety skills.

Guppies

Non-swimmer. Not water adjusted or the first time in a group lesson without a parent. This class emphasizes water adjustment and learning how to enjoy and respect the water.

***Skill Development: 3 to 5 year olds**

The following classes are a great experience in skill development and social adjustment for children three to five years of age that have some aquatic experience. Kindergarten children may go into preschool or grade school lessons. These classes operate on a small student/teacher ratio. A minimum of four children must be enrolled to conduct a class.

Polliwog

Must have completed Guppies. Non-swimmer has been water adjusted. This class will work on introductory swimming skills.

Tadpole

Must have completed Polliwog. Develop front and back skills. Fundamentals of the front crawl stroke, breath control, and deep-water adjustment are covered.

Frog

Must have completed Tadpole. Can swim 20 feet and knows the basics of rhythmic breathing. Along with increasing rhythmic breathing skills, backstroke skills and endurance will be developed.

Otter

Must have completed Frog. Can swim 15 yards and intro of the elementary backstroke. Under water swim and endurance swimming are stressed.

Seal

Must have completed Otter. Can swim 25 yards front crawl, 15 yards backstroke. Breaststroke is introduced along with more emphasis on endurance training.

Level 1 thru Level 6: Group Swim Lesson Progression: 5 years and above

Level 1 - Introduction to Water Skills: Must have completed Preschool Seal.

Students will learn how to feel comfortable in the water and safely enjoy it. Submerge entire body under water, roll front to back and back to front, demonstrate arm and leg movement for five feet on front and back and safety skills.

Level 2 - Fundamental Aquatic Skills: Must have completed Level 1.

Children will learn basic swimming skills. Students will focus on complete submerging, floating and gliding without support, swim using alternating leg and arm action for five yards, and water safety rules, and how to help others. Children in this level should be comfortable trying things on their own.

Level 3 - Stroke Development: Must have completed Level 2.

Additional guided practice will help students improve their skills. Students will focus on deep water entry and safety, side breathing, treading water, introduction to freestyle, backstroke, butterfly kick and body motion. Children in this level should be able to swim five yards on their own.

Level 4 - Stroke Improvement: Must have completed Level 3.

Kids will gain confidence during swim lessons, improve their stroke and gain additional aquatic skills. Students will focus on surface dives and underwater swimming, treading water using all kicks, freestyle, backstroke, breaststroke and butterfly, and safety in diving. Children in this level should be able to swim 25 yards without stopping.

Level 5 - Stroke Refinement: Must have completed Level 4.

Shallow dive, glide 2 body lengths and begin any stroke, back float and survival float 2 minutes, front and back crawl 50 yards butterfly, elementary backstroke, sidestroke and breaststroke 25 yards and safety skills. Students will focus on building endurance and technique on all strokes, race starts and flip turns. Children in this level should be able to swim 50 yards without stopping.

Level 6-A - Personal Water Safety: Must have completed Level 5.

Front and back crawl 100 yards, elementary backstroke, butterfly, sidestroke and breaststroke 50 yards, survival and back float 5 minutes, survival swimming 10-minutes, various surface dives.
